CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

2. GENERAL MANDATES TO ISSUE SHARES AND REPURCHASE SHARES

At the annual general meeting of the Company held on 26 May 2017, the general mandates were granted to the Directors authorising them, inter alia, (a) to exercise the power of the Company to allot and issue Shares not exceeding 20% of the issued share capital of the Company as at 26 May 2017; (b) to exercise the power of the Company to repurchase Shares not exceeding 10% of the issued share capital of the Company as at 26 May 2017; and (c) to extend the general mandate to issue Shares by the number of Shares purchased under the repurchase mandate mentioned in (b) above. Such general mandates will expire at the conclusion of the Annual General Meeting.

At the Annual General Meeting, separate ordinary resolutions will be proposed to renew the general mandates given to the Directors (i) to allot, issue and otherwise deal with Shares not exceeding in aggregate 20% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of such resolution; (ii) to repurchase Shares comprising the aggregate nominal amount of which does not exceed 10% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of such resolution; and (iii) to add the aggregate nominal amount of the Shares repurchased by the Company to the general mandate to the Directors to allot new Shares of up to 20% of the issued share capital of the Company.

Based on 1,518,255,540 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are repurchased or issued prior to the Annual General Meeting, subject to the passing of the relevant ordinary resolutions to approve the mandate to issue Shares at the Annual General Meeting, the Directors will be authorised to allot and issue up to a limit of 303,651,108 Shares under the general mandate to issue Shares.

If approved by the Shareholders at the Annual General Meeting, the general mandate to issue Shares will expire at the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within the next annual general meeting of the Company as required by the Bye-laws or any applicable laws to be held; or (iii) the revocation or variation of the ordinary resolution to approve the mandate to issue Shares by any ordinary resolution of the Shareholders in a general meeting.

An explanatory statement, required by the GEM Listing Rules to be sent to the Shareholders in connection with the Repurchase Mandate, is set out in Appendix I to this circular. The explanatory statement contains all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant proposed ordinary resolution for the grant of the Repurchase Mandate at the Annual General Meeting.

6. RECOMMENDATION

The Directors consider that (i) granting of general mandates to the Directors to issue Shares and repurchase Shares; and (ii) re-election of retiring Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

Yours faithfully,
For and on behalf of
Global Digital Creations Holdings Limited
Xu Liang
Chairman

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:

1. SHAREHOLDERS' APPROVAL

All proposed repurchases of shares by a company with a primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval of a particular transaction. The Company's sole listing is on GEM.

2. SOURCE OF FUNDS

Repurchases must be funded out of funds legally available for the purpose in accordance with the Bye-laws and the applicable laws of Bermuda. It is presently proposed that any Shares repurchased under the Repurchase Mandate would be purchased out of the capital paid up on the repurchased Shares, the profits of the Company which would otherwise be available for dividend and the Company's share premium reserve.

3. EXERCISE OF THE REPURCHASE MANDATE

The Shares proposed to be repurchased by the Company must be fully paid up. Under the GEM Listing Rules, the total number of shares which a company is authorised to repurchase on GEM is shares representing up to a maximum of 10% of the existing issued share capital as at the date of the resolution granting such general mandate. Exercise in full of the Repurchase Mandate, on the basis of 1,518,255,540 Shares in issue as at the Latest Practicable Date and assuming no Shares are issued and repurchased by the Company prior to the Annual General Meeting, could result in up to 151,825,554 Shares, which represents 10% of the issued share capital of the Company as at the Latest Practicable Date, being repurchased by the Company during the period from the passing of the resolution granting the Repurchase Mandate up to the conclusion of the next annual general meeting of the Company or the expiration of the period within the next annual general meeting of the Company as required by the Bye-laws or any applicable laws to be held, or when revoked or varied by an ordinary resolution of the Shareholders in a general meeting, whichever occurs first.

4. REASONS FOR REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

5. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Bye-laws and the applicable laws of Bermuda.

The exercise in full of the Repurchase Mandate might have a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in its most recent audited accounts for the year ended 31 December 2017. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

6. GENERAL

- (a) None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates have any present intention, in the event that the Repurchase Mandate is approved by the Shareholders to sell the Shares to the Company or its subsidiaries.
- (b) The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.
- (c) If as a result of the share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for purposes of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and thereby, become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, SCG and its close associates were interested in approximately 40.78% of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full and no further Shares are issued during the proposed repurchase period, the interest held by SCG and its close associates in the issued share capital of the Company will increase to approximately 45.31%. The Directors are not aware of any consequences for SCG and its close associates under the Takeovers Code as a result, solely, of the Directors exercising the Repurchase Mandate in full.

- (d) The Company has not repurchased any of its Shares (whether on GEM or otherwise) in the six months preceding the Latest Practicable Date and will not repurchase its Shares if public float is less than 25%.

- (e) No core connected person has notified the Company that he or she has a present intention to sell Shares to the Company, and no core connected person has undertaken not to sell any Shares held by him or her to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.
- (f) The highest and lowest prices at which the Shares have traded on GEM during each of the previous twelve months and up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2017		
March	0.435	0.360
